

ACCIDENTS HAPPEN.

Wouldn't you like extra protection for your family?

AccidentAdvanceSM accident insurance

Underwritten by **Transamerica Life Insurance Company**, Cedar Rapids, Iowa.

Now there's help if you suffer an accident.

Accidents are a part of everyday life, but are you prepared for the added financial burden? If you have a serious accident, you'll want extra cash to cover your increased expenses. Accident insurance pays benefits you can use for medical bills and other out-of-pocket expenses – or for any other purpose, including paying your mortgage or other bills. Your medical coverage may not take care of all of the added expenses you'll have after an accident.

Extended physical therapy benefits, emergency room treatment, and more.

Did you know that 29.5 million visits to the emergency room in a given year will be because of accidents?¹ You'll want your family protected. This policy helps provide protection for you and your insured family every day of the year for covered accidents. Pays benefits for:

- Accident only emergency benefit, including X-rays and physician care received within 96 hours of an accident
- Accident only follow-up visits and physical therapy benefit, which could be important for recovery
- Initial accident only hospitalization benefit, including ambulance and intensive care

These benefits are paid directly to you, not to your doctor or hospital. You can use this money for anything you need. The extra cash can really help you and your family during a difficult time.

Help protect yourself, your spouse, and your eligible dependents.

Issue ages for employees and spouses are 18 through 64. Eligible children can have coverage through age 25.
